Last year Province-wide Playoffs were held in Senior and Junior baseball for the first time in several years. Also, it marked the first time in several decades that all baseball in the Province was under one organization. The Saskatchewan Baseball Association sponsors Sandlot, Bantam, Midget, Juvenile, Junior and Senior playoffs. It has also tried to arrange a playoff between the two major division leagues, the Northern Saskatchewan Baseball League and the Southern League. This however, did not come about last year because of the very inclement weather experienced in late August and early September.

The move into Senior-Junior baseball was received with outstanding success last year. Twelve Junior teams participated in our playoffs, and the Regina Red Sox became Provincial Champions and represented Saskatchewan at the National Tournament held in Winnipeg, and placed a very creditable third behind Manitoba and Alberta. In Senior Division 24 teams entered playoffs with Assiniboia Aces the eventual winners. The Aces were to play Brandon, Manitoba in the Western Canada Baseball Association Playoffs but these too were washed out because of inclement weather.

At the Fall Meeting held in Saskatoon, the age cut-off date was moved back from August 1 to January 1 of the playing year. All Minor-age teams are urged to take note of this change and to study the dates set out on subsequent pages in detail.

During the winter months, your Executive has been busy, and we are certain that the 1966 season will be the finest ever for Saskatchewan baseball.

# SBA LEAGUE SANCTIONING SYSTEM

It is the desire of the SBA to have all baseball leagues, especially Juvenile and under, in the province sanctioned with the SBA. Sanctioning is a method whereby the entire league becomes affiliated within the SBA. Leagues receive an official League Sanction. No individual team can be sanctioned although individual teams can still enter playoffs.

## 1. ADVANTAGES OF SANCTIONING

Sanctioned leagues will receive the following services for their sanction fee:

- A. A League Franchise Certificate, suitable for framing.
  - B. A certificate for League Batting Champion, suitable for framing.
  - C. Playoff registration for teams in League, at a reduced price (extra fee of \$6.00 for team entering Provincial Playoff).
  - D. One Coaches' and Managers' Handbook per team.
  - E. One SBA Annual per team.
  - F. One SBA Constitutional Manual per team.
  - G. One SBA Rulebook per team.
  - H. One subscription to Saskatchewan Baseball News per league.
  - I. One Executive Handbook per league.
  - J. The right to use the office of the Umpire-in-Chief of the Saskatchewan Umpires' Association for interpretations and rulings on protests arising during local league play.
  - K. First choice of sites for umpires' schools, baseball schools, or playoff tournaments.
  - L. All special services and publications.
2. All sanctioned Leagues may take advantage of the following relaxations of the No All-Star rule:

**NOTE: THESE RULES DO NOT APPLY TO UNSANCTIONED TEAMS.** Henceforth, unsanctioned teams shall be known as "D" teams.

- (a) "A" LEAGUES: for all cities over 10,000 population and those over 5,000 which use the Limited Selection Method of Recruitment. These teams must enter playoffs with the roster that played in their local league with the addition of TWO players from other teams in their league not entering playoffs. All league members are eligible to enter playoffs.

---

**NOTE:** All local team rosters must be submitted at the time of sanctioning or by June 1. All city teams entering provincial playoffs must be members of sanctioned leagues. If no sanctioned league exists within a city, a special application must be made to the SMBA executive.

(b) "B" LEAGUES: for all cities 5,000-10,000 using the Mass Participation Method of Recruitment and for towns 2,000-4,999 regardless of method of recruitment. This group would be allowed to strengthen their regular roster by the addition of FOUR players from teams in their league not entering playoffs. All teams in the league are eligible to enter playoffs.

(c) "C" LEAGUES: for all leagues whose boundaries do not contain 2,000 persons. Teams in this class can add SIX players to their regular roster from teams within their league not entering playoffs. The purpose behind this is so that the team or teams representing the league in Playoffs will retain a portion of their local league identity.

NOTE: In no case shall a team register more than eighteen players.

(d) "D" TEAMS: are entries for playoffs from unsanctioned leagues. They may still enter Playoffs under regulations outlined for Sandlot, Bantam, Midget and Juvenile clubs. They must enter the roster they played in the Local League play and under no circumstances can they be All-Stars. To enter Playoffs they must pay a \$15.00 entry fee.

NOTE: If, for some reason, you have a local problem and your league or team does not fit into any of the above classes write to the Registrar for a ruling.

3. All teams of Sanctioned Leagues have a vote in SBA affairs at the annual meeting.
4. Sanctioned Leagues will be given consideration in arrangement of Tournament, Ball Schools and Umpire School sites.
5. By Sanctioning the entire League, the SBA is strengthened. A stronger SBA means a stronger Baseball Program throughout Saskatchewan.
6. WHAT DOES IT COST TO SANCTION?  
A four-team league sanction costs \$10.00, a five-team league \$12.00, a six-team league \$14.00 and so on. Each team entering playoffs will pay another \$6.00 registration fee to the Registrar.
7. APPLICATIONS: Applications for League Sanctions should be made as early as possible. No league will be sanctioned after June 1st. Application forms are available upon request from

# SASKATCHEWAN'S UMPIRES' ASSOCIATION

The Saskatchewan Umpires' Association is an affiliate of the Saskatchewan Baseball Association and is in its seventh year of operation. It was formed in 1959 under the direction of Andy Zwack of Prince Albert, who has since that time been its Umpire-in-Chief.

ANDY  
ZWACK

Umpire-in-Chief

In that time Andy has conducted more than fifty Umpires' Schools, has published several informative and instructional booklets, has established an information bureau for rule interpretation and has done an extensive job of assigning umpires for Association Playoffs. The SUA has done an outstanding job of raising the calibre of umpiring.

This year will see a continuation of umpire schools, some of which will be held in conjunction with coaches clinics. These schools will be getting under way about mid-April and are open to all umpiring personnel.

The cost of attaining SUA membership is a very nominal \$3.00. For the \$3.00 membership the candidate obtains a crest, a SUA Rulebook, an Umpires' Manual, and a one-year subscription to the Saskatchewan Baseball News. If qualified, the applicant will find himself assigned to Playoff duty during the SBA Provincial and Interprovincial Playdowns.

An application form for membership is found on page 35 and all prospective umpires are urged to send it in immediately.

# Western Canada Baseball Association

The Saskatchewan Baseball Association is a member with Alberta, Manitoba and British Columbia of the WCBA. Bob Lacoursiere of North Battleford is President; Monty Montague of Rivers, Manitoba is Vice-President, and Dave Shury of North Battleford is Secretary-Treasurer. This organization sponsors inter-provincial playoffs between the four western provinces and has been attempting to standardize amongst its members. Last year's WCBA champions were: Sandlot - Gilbert Plains, Manitoba; Bantam - Brandon, Manitoba; Midget - Saskatoon Anavets; Juvenile - Moose Jaw Regals; Junior - Saskatoon T-Birds.

All entrants into provincial finals will be expected to carry through to WCBA Playoffs if successful. Once again, a Travel Pool will be set up for SBA teams. During all playoffs teams will be assessed ten per cent of the gross playoff gate which will go into a Travel Pool. Forms and details of the Travel Pool will be forwarded to each team at playoff time.

# National Federation Of Amateur Baseball

The Saskatchewan Baseball Association is the Branch member of the National Federation of Amateur Baseball. During 1965 the Saskatchewan Baseball Association was recognized by the NFAB as the governing body of baseball within the province.

The National President is Marcel Racine of Montreal, and Bob Lacoursiere of North Battleford, SBA President, is Saskatchewan Director. All Canadian provinces except British Columbia are represented on the national body.

Last year the NFAB held a Junior-age Tournament in Winnipeg in the latter part of July in which eight Canadian provinces participated. Alberta placed first, Manitoba was second and Saskatchewan represented by the Regina Red Sox were at third. The NFAB is in charge of picking a Canadian representative each year to attend the International Junior Baseball Tournament. The NFAB has been approached to choose the Canadian Team which will represent Canada at the Pan-American Games to be held in Winnipeg during 1967.
